Report on National Science Day Observation at Kaliabor College

Date: 28/02/2023

Kaliabor College celebrated National Science Day on February 28, 2023, with enthusiasm and participation from students and staff. The event comprised several competitions that aimed to foster scientific curiosity and innovation among the participants. In the Idea Competition, nineteen participants showcased their innovative ideas, with Ritan Kar emerging as the winner. This competition provided a platform for students to contribute novel concepts, encouraging a spirit of scientific inquiry. The Poster Making Competition witnessed the creativity of 13 participant groups, consisting of 29 students. The winners were Rajib Mandal (1st Prize), Dipankar Kalita, Pawan Sarmah, and Himadri Borah (2nd Prize), and Satyabrata Hazarika and Manuj Boruah (3rd Prize). The visually engaging posters not only displayed artistic talent but also effectively communicated scientific concepts. Fourteen participants engaged in the Extempore Speech competition, showcasing their ability to articulate spontaneous thoughts on scientific topics. This event aimed to enhance participants' communication skills and promote the sharing of scientific ideas in an impromptu setting. The Inauguration Meeting presided over by Dr. Uttam Kr. Baruah, Principal of Kaliabor College, served as a vital component of the celebration. Dr. Baruah emphasized the importance of innovation and entrepreneurship development, encouraging active engagement in scientific pursuits. The meeting raised awareness about the crucial role of education institutions in fostering a culture of scientific inquiry. In conclusion, the National Science Day celebration at Kaliabor College successfully highlighted the talents of participants and reinforced the importance of science in shaping the future. The college remains dedicated to nurturing a culture of innovation, scientific curiosity, and active participation in scientific endeavors among its students and staff.
